

## ALACHUA DIVISION

... OF ...

THE MUTUAL LIFE INDUSTRIAL ASSOCIATION  
OF GEORGIA.

If YOU Have Not a POLICY IN THIS COMPANY, WHY NOT?

It gives protection at actual cost. Local men manage it and prevent any possibility of fraud. It is insurance at actual cost and money kept at home. Its source and origin, purpose and end, is Mutual and Co-operative Help—one thousand persons banded together to INSURE each other AT COST.

For a policy in the ALACHUA DIVISION OF THE MUTUAL LIFE ASSOCIATION OF GEORGIA. Average cost to Policy Holders last year, \$5.49 on a \$1,000 policy. Forty-seven divisions now running. \$24,800,000.00 Insurance in force—now writing more than three millions of dollars a month. Whenever a death occurs in a division, each member is called upon to pay a death premium of \$1.15. According to the sworn statement of the Company made to the Comptroller General January 1st, 1905, the average cost to the policy holders of Georgia last year to carry a \$1,000 policy was \$5.49.

Paid beneficiaries during the year 1904, \$64,000.00.  
\$3,321,000.00 of business written in May, 1905.  
Mortuary rate last year 3-10 per 1,000 policy holders—year before, 3-10 per 1,000 policy holders.

EXPERIENCE OF A POLICY-HOLDER IN THE CLARKE COUNTY DIVISION.

This division was organized four years ago; in the

whole of that time there have only been fifteen deaths in that division, which is full and consists of a thousand members, an average of 3-4 deaths a year. These are facts.

Let us see what has been the actual cost of a thousand dollars insurance of a member of the Clarke county division who has been in it for the last four years, and who was between the ages of forty and fifty, Class C. His initiation fee was \$5.00, 15 death assessments \$1.15 each, \$17.25. There has been three annual dues \$1.25 each, total \$22.25 for four years insurance, or an average of \$5.56 to carry a thousand dollars insurance for a year, between the age of forty and fifty. A member who is under that age has paid a similar amount. In an old line or stock company, at the same age, would have cost these members \$48.48 per annum. Is there any sense in paying \$48.48 for the same thing that you get for \$5.83 and just as good, and just as safe?

What One of Georgia's Greatest Men Has to Say About the "Mutual Life of Georgia."

ATHENS, GA., March 27, 1905.

MR. JOHN A. DARWIN, Secretary and Treasurer, Athens, Ga.  
Dear Sir: After making a careful study of the plan of "The Mutual Life Industrial Association of Georgia," I have taken out a policy in it and consider it the most complete solution of life insurance I have ever seen.

I have insurance in old-line and assessment companies and I have decided that "The Mutual Life" is as safe and at the same time lower in cost than any of them.

Yours very truly, HOWELL COBB.

Received through Mr. L. A. House, Secretary and Treasurer, \$1,000 from "The Mutual Life of Georgia," Home Office.

Athens, Ga., as beneficiary under Policy No. 4313, in the Windsor Division. This had only cost my husband \$9.30 for nearly two years. The money was paid me in 24 hours after his death. I beg all women in Georgia to insist on their husbands to take a policy in the Athens Company. (Mrs.) EMMA J. BAKER.  
Monroe, Ga., August 14, 1903.

## YOUNG WOMAN IS KILLED.

Shot to Death by Her Sweetheart in Wilmington, N. C.

Wilmington, N. C., August 10.—Alice Owens, 21 years of age, of Augusta, Ga., living in the vicinity of Eighth and Castle streets, was shot and instantly killed last night in her bedroom by Tom Lamb, a young man employed as a tinner by the Atlantic Coast Line at Florence, S. C.

The shot took effect in the woman's left breast, and she died with her lips sealed as to any motive for the tragedy.

There were in the room at the time another female occupant of the house and a young painter of this city, who are unable to account for the killing.

The two were laughing and talking together, the Owens woman being seated in the room. Lamb was standing and without uttering a word or making any intimation of his purpose toward the woman, drew his pistol and fired a ball into her breast.

He was immediately taken into custody by the police and is being held in the city jail on the request by the coroner's jury to inquire into the circumstances of the killing.

## Railroads to Adjust Rates.

New York, August 10.—A conference was held in this city yesterday between traffic managers of the trunk lines and those of the western lines running to gulf ports. Rates on sugar and coffee which have stirred up trouble between the lines serving the eastern ports and the gulf for two years were discussed and preliminary steps were taken toward making a settlement. Arrangements were made for a formal meeting to be held at Niagara Falls next Friday with this object in view. Some of the roads have been trying to maintain a differential in favor of gulf ports while the eastern lines have considered unfair and an effort will be made to re-establish the old tariffs particularly on sugar and coffee.

## Wife Desertions Numerous.

New York, August 10.—Stirred by the presence in his court room of one hundred women followed by a mob of children—each woman demanding a warrant for the arrest of their husbands whom she charged with desertion and non-support, Magistrate Poole yesterday declared that wife desertion is one of the most serious menaces to domestic life that now confronts New York city. After hearing the charges, the magistrate issued 20 warrants and turned the remaining cases over to court officers for immediate investigation.
